Kathy just received a message from Horst inviting us to participate. Ideally, we should have an internal EPA meeting before the call.

No. I just heard about it about 30 minutes ago. Ken didn't mention it when I spoke with him yesterday. I suggested that at a minimum Ken schedule a call to download to us afterwards.

We just learned from Cliff that Horst Greczmiel from CEQ has scheduled a call with the FS, Corp and BLM to talk about Rosemont. Did you receive an invitation to participate?
